“ *My deepest sympathy to all of Crews' family and friends. Crews mentored me during my teen years in Runyon as a basketball player. He believed in me and that made me believe in myself. My son then played for Crews. He was a great man. He is loved by my family and will be missed.*

“ *Correction to my tribute contribution, it should have stated we were friends, not mariners!*

“ My Fellow Coach and friend, I can never forget the days we coached teams throughout the city of Yonkers. We disagreed about calls, but in the end we laughed it off until the next game remaining mariners for over 40 years. You are surely going to be missed by one and all! You are forever in my heart, and your family forever in my prayers.

“ I met Al in the first few years of my career in the phone company at 999 Nepperhan Ave. in 1984. My original introduction to him was not just thru co-worker's but in how he and they socially interacted with each other. He was friendly, pleasant, considerate, happy, fun to be around, knowledgeable and good worker but most importantly well respected. I found him to be one of those people that you remember your whole career because he made such an impression on you. I can only hope he had enjoyed his retirement and the time he had with family. My condolences and prayers for his family and friends.
Sincerely,
Tom Connolly
