“ This is just one of the \*many\* good morning messages AI would send me regularly. Always such beautiful and encouraging words, thank you AI. I love and miss you very much. ❤️❤️❤️❤️❤️❤️❤️

*"Sometimes, we can have a trying week, but thank God for helping us thru it. It's one day at a time without reliving yesterday or trying to predict tomorrow. God can handle both so let's receive His continued guidance with patience as He works it out with & for us. In the meantime, let's give ourselves a break if & when we need it bcoz this day we'll never see again & it's a blessing to be alive!*

*Good morning: Have an Amazing Day. Hugs smiles and love 🙏🥰  
😊🌹 "*
