“ Words can never express what my heart feels today. Carol we had some great times together and Angels watched over and protected us. No one knows how a phone call from Sha, (my nickname for your daughter) saved my life. If not for me driving you home to see about her, Lord knows you would be joining me today in Paradise. Sleep on Queen and know my heart grieves with your family.

My condolences to the family. RIP Carolyn love you my friend. Although we didn't spend a lot of time together when we were younger we did, and I will always carry love for you in my heart. To all Carolyn's children and grandchildren I'm praying for you.

“ My heartfelt condolences to everyone. I have known Carol for every bit of 50 plus years as well as her brothers and especially her oldest daughter and we have shared countless memories. I last saw her 3 years ago during the bereavement of Earl "aka" DMX and we laughed and hugged one another. I'm glad I was able to see you then. I hope the coming days bring each and every one a bit more comfort and peace. Love Sharon Dunn Jones.
