“ *To Freida and Family:
It is with the deepest sadness that I write this message in remembrance of Dale. He was Someone I considered a Friend, Brother, Devoted Husband, Committed Community Person, Christian Man, and Mentor to Many. He exemplified strength and wisdom in a quiet way, but always had a bit of wit as well. Cutting hair was his pastime, and helping others whenever he could was his calling, as well as supporting and dropping nuggets every so often was a blessing to so many others and was his true gift from God. I, my Family and so many miss him now and will forever honor his legacy by continuing to live in his Spirit of Life.
Peace And Blessings My Beloved.

“ What can I say about my brother, my friend, Dale? In short, he was truly a great guy! Down to earth, sincere, and hardworking. Dale was always ready to help, earning his reputation as our very own 'go to guy' for anything. Need a hair cut, go to Dale. Need a house, go to Dale. Need a church building, go to Dale. Need a contractor for anything, go to Dale. Need a car and or a mechanic, go to Dale. Need a jeweler, go to Dale. Need a laugh, go to Dale. Need encouragement, go to Dale. The funniest of all is if you need an adrenaline rush, go to Dale. Anyone who's driven with Dale can testify, the man could drive at record speeds while you inhale and he exhales with laughter. If you know, you know. A loving brother who exemplified what it means to be a true Kingdom man of God. Dale love not just the people of God; he loved people. Always upbeat and positive. I already miss my brother, my friend. Dale, you have run your race, and you ran well! You will forever be loved, never forgotten!

“ *DEACON DALE my brother will be truly missed. He always treated everyone with respect and no matter how long it was since we last saw each other or spoke we could always connect on a different level. Even though he was going through alot he still had a true concern for others. I will truly miss our great conversations about life. 🙏🙏*

“ Dale has been my barber for over 10 years. My fondest memory was during Covid. Despite shutdown he opened his shutter let me in cut my hair while risking prosecution. This was the type of guy Dale was to people who knew him.

“ The loss of this great man, has left me feeling pain I've known Dale since I was in HS. Dale has cut my hair for over 30 years. He was not just my barber, but a true friend. He devoted his life to helping a lot of individuals get through. He gave free haircuts when most people didn't have it, just a blessing around the community. This news was devastating, because I knew he was planning to move him and his beautiful wife to a new home in Connecticut. Dale you're a true friend, we lost a great man RIP my brother you're gonna be sorely missed.

“ I celebrate the life and legacy of Deacon Dale. When I came in off the streets raw and wild, I kind of became his project. He nurtured me, mentored me; showed what to do and how to do it. He is one of those rare individuals that can't imitated , duplicated or replaced. RIP young man. Job well done!!!!May Almighty God comfort, console and give you peace, Sister Freda. In Jesus name.
