“ From PS 25, throughout our High School years, even as adults you have always been a good friend. No more suffering. No more pain. You will be greatly missed. See ya on the other side. #rip

“ My memories of Denise started the day she was born when her mother raised her up to the window at Cross County Hospital for us to see. Since then Denise was a person I always thought of as a family member, a friend and a sister.  
Denise I will cherish the time spent together growing up for the rest of my life.  
May God Bless you and comfort those left behind that loved you more than anything on this earth.  
Until we meet on the other side of the river, Rest in Peace
