“ The memory I have of my brother Butch Edward is we were in school and this is before he went into the service. This guy named Dennis kept bothering our sister Jackie and my brother happened to come down to the school to pick us up so we wouldn't have to get on the school bus and he came over to the yard and Dennis kept picking at Jackie. Butch looked at Jackie and told her if you don't whip him I'm a whip you nobody ain't gone jumping you cause I got your back Jackie beat the shit out of Dennis, Dennis never gave her no more trouble. Having a big brother was the highlight of my life. I love him and will miss our talks and memories.
