

Eliza White

September 18, 1929 - March 29, 2021

Eliza White was born to Lillie Chavis Reese on September 18, 1929 in Columbia South Carolina and raised by her stepfather Charlie Reese. Eliza lived a full life until she was called home to her glory on March 29, 2021 at the age of 91.

Eliza married Eddie White Sr. and then moved to New York with her 9 children where she dedicated many wonderful years as a Nurse. She worked many years in a number of healthcare facilities and private duty in the NYC area. She was always a woman of great service. Ready to help others in need and comfort the sick. Her dedication for caring for others led her to become a Missionary at Victory Baptist Church as well as a member of the Senior Usher Board. Even after retirement , Eliza worked as a personal assistant and caregiver until the age of 82. She was always ready to help others and take them in as her own. She was filled with so much love she had so much to share with whomever welcomed her love and wisdom. She was able to warm even the coldest of hearts. Her favorite things to do in her spare time was baking, attending church, and shopping. Eliza had an out-going spirit. She loved to go out, have family picnics, ride a bike, and go to Atlantic City with her daughter. After her stroke in 2016, Eliza built herself up to be strong and allowed us to be in her presence a little longer. She enjoyed sitting in her rocking chair and being home with her family where she was cared for and loved until the Lord called her home.

Eliza is survived by 7 of her children and an abundance of grands, great-grands, great-great grands, cousins, and friends. She can now be joined with her two sons and her late husband.

The beauty of her presence will be missed deeply by those who truly loved her. Life has not been the same since her passing, but we know she is now in a better place, roaming freely with those she had missed during her time with us.

A piece of our heart now lives in Heaven. We love you dearly and you truly will be missed

“ *Hello family,*

All my life I've been basked in my great grandmother's warmth. My great-grandmother, also known as "BigMa" helped nurture me to become the person I am today. Although she had her moments where she was very hard on me, I knew it was all out of love and protection. I know all she wanted was the best for me. Whenever I needed her, she was always there. As the years went by, It went from her taking care of us to us taking care of her. I will miss every moment we had shared together. She is now my guardian angel and I know she will always watch over me and be there whenever I need her. Love you BigMa!

“ *Peace and Love family,*

I miss grandma so much. The memory that I want to share is how proud she was when she use to be a part of the Victory Baptist Church Usher Board. Every year for the usher sermons she use to strut down those aisles with such passion and grace. She was so amazing to watch. I used to fall asleep in church but on those days I was wide awake..lol. Thank you grandma for such beautiful memories. I love you so much!
