“ My sincere condolences to the Lewis family. It is sometimes so tough to find the right words of comfort in these times. I pray that in the days to come you will be comforted by the Holy Spirt. I pray that as you mourn the passing of your dad, you will be reminded that though he is no longer physically with you, he will live in your heart forever. Cling to the memories, still laugh at his funny jokes and the ones that were not so funny when you remember him, cry when you need to and miss him when you you can't pick up the phone to say "hey Daddy a me". Last but not least, find peace in knowing he was an Awesome father, brother, uncle, father in law, grandfather and friend. He fought the good fight, he kept the faith and he finished his race. May God be with you and the rest of the family Dahlia. We love you.
