“ *The Benson Family,*

We thank God for George's life and we pray for strength and comfort for you and your family. He was created to love and be loved; to shine with an inspiring, one-of-a-kind light; to enjoy his family and friends and give thanks to the One who gave His all to make him His child. For every joy that passes, something beautiful remains and may those joys you knew and those times you shared with George help to comfort you at this sad time.

“ *I wanted to take this time to pay my respects to our loved one, George Allen Benson. My first cousins Charlie, Mary and Natasha (more like brother/sisters) were generous about sharing their aunt and uncles. Truth be told, I haven't seen uncle George since I was a child, however, I do have fond memories. What I remember most about uncle George is that his "wit" and "sarcasm" went unmatched. He was good at cracking jokes and being the first to laugh at them...."I can't wait until you people learn how to crop pictures" is an example of many comments he'd share (smile if you remember).*

This uncle leaves lasting memories to his family and friends and for that reason, I am grateful to have known him. Safe travels back to our savior: God/Love.

“ *The world needs more George Bensons in it. They say you helped and uplifted those around you. That you cared when no one else did. That's is how I will remember you. Rest easy Uncle George.*
