“ *To The Coverdale Family: May 3, 2018*

*Our families have been connected as part of an extended "neighborhood family" for more than 65 years!!!! They don't make them like "THAT" No More!!! I will cherish forever the smiles that came cross George's and my brother John's faces following Cole Scott's repass ... when George & John saw the other that day .. the genuine look of brotherly love --- for George & John both (older & somewhat struggling) made their way to each other... I say to all the people of Yonkers, all the people of New York, all the people of America; and yes... All the real people of This World.. There is ONLY Love left... say what you mean and mean what you say.. be for Real... re-discover truth, re-discover Family and true Friendship and Neighborliness... Be For Real. Show Your Love Now while you can! Dear Coverdale Family... I send my condolences and thoughts and fond memories and great neighborly love to each and all of you.*
