“ George and I were boyhood friends that shared many things in common. We both lived at times on Bushey Avenue in Yonkers.

George and I both attended The Holy Trinity School in Yonkers. We both graduated from The Roosevelt High School in Yonkers and were teammates in track and field.

After High School we were both Brother Electricians in Local 3 IBEW, NYC.

George was the kind of man that always had a smile on his face and always had complimentary things to say about others.

George was fortunate and blessed to have a loving family to help and assist him during his illness.

It was a pleasure and a privilege to know and be a friend to you My Brother George.
