“Gina had such a beautiful spirit and was such a pleasure to be around. She had such a great sense of humor and often made me laugh, and I often made her laugh as she had me demonstrate my dance moves as a child. What I most remember about Gina is her kindness. As family there were times that we often lived together, and I looked up to Gina like a big sister. What I most remember about Gina is her standing over me braiding my hair on the porch every weekend to prepare me for the following school week. Gina could do some hair! She sure made a girl feel pretty. Gina also had a generous spirit; I remember her giving me clothes, and when I put on those clothes, you couldn't tell me nothing! I wore those clothes out, because Gina had such a great sense of style. Although I didn't get to see Gina much, as we all get older and go our separate ways, I will forever cherish the memories that we shared together, she will be missed dearly by many. RIP cousin until we meet again. Love you.
