“ To the family of Ms. Booker my sincere condolences. My heart is so filled with pain right now. Gloria my next door neighbor and friend will be truly missed. We laughed and joked each time we met in the laundry room. I never could get back upstairs to finish whatever i was doing. Lol. I called her hotrod because she always drove so fast. Once we were out together i was praying so hard and i asked God if you get me out of this safely im gonna buy my own car. I did, so i credit her for getting my car. We had so many laughs. R.i.P. my neighbor my friend.

“ To the family of Sis. Gloria Booker,

Our sincere thoughts and prayers are with you. May our God keep His arms around you and comfort you.

We will cling to the memories of our Sister in Christ, dear friend, and wonderful harmonizing songstress. Over the years we all built a bond of friendship, more like a sisterhood, filled with laughter and good times while enjoying uplifting praise in song to our Lord and Savior Jesus Christ.

Although our hearts are heavy, we are certain that she is at rest in the arms of our Lord...And knowing Ms. Gloria, she's probably telling someone in the Heavenly Choir, "Get it together...You're off key!" 😊

Ms. Gloria will surely be missed! We all love her so much. She'll always be in our hearts.

“ To Debbie, Chuck and Maurice.....There is so much to say but nothing will ease your hurt. There is nothing like the loss of a mother. One I know all so well. Just know that your mother was special to me throughout my life. Thinking of her and Jackie (my mother) with your daddy and the gang. Lord knows I remember, The Happy Times! Debbie you know the last fun time we all had together was your mom at my place with her water. I would check on her and she would say, "I fine, I got my water" lol. Lord knows she was the life of any place she entered. Gloria has breathe energy and life into her resting place. I love you all so much.
