“ I remember Gus Williams as one of the best human beings I have ever known and one of the most humble people I have ever been acquainted with. A beautiful human being in every sense of what beautiful stands for.

“ Over the years, there have been many talented players who entertained countless fans while proudly representing MVHS wearing their Maroon and Gold on the hardwood. IMHO, there is no room for discussion. Simply put, Gus was THE BEST. Throughout his career, his many accomplishments and well deserved accolades and awards all speak for themselves. What is even more impressive, is that Gus was an even better human being. He impacted the lives of many, both young and old, in such a positive way. I will value our friendship forever. RIP my brother, and my sincere condolences to The Williams family.
