“ I knew Jeffrey faintly at Pro’s and he was always kind and quiet. When I heard Jeffrey say to someone else at Pro’s that he had gotten a job, I congratulated him and told him how happy I was for him. Jeffrey will live on in memory. I am deeply saddened by this tragic loss and send my heartfelt condolences to his family. May God surround Jeffrey and his loved ones with strength, love, and prayers. I will always remember his calm and peaceful presence.

Some souls are gentle in a way that quietly changes the world. Though they leave this life too soon, their kindness, warmth, and light live on in every heart they touched. A good person never truly leaves us — they become part of who we are, forever.

Sincerely,

Olivia R
