“ *Uncle Pete words cannot express my sadness in your passing. You will be truly missed by so many but most of all by me. I'll think of you every time I look at my crepe myrtle trees you planted for me in my front yard. I know you are up in Heaven resting with Grandma Julia, uncle James and your girls. I'm glad to know I have another Angel watching over me. I will cherish your memory forever and ever. Love you Uncle Pete. Rest in enteral peace.*
