“ He was an amazing man. Strong, militant, serious...few knew his kinder, gentleman comical side. I was fortunate to be one of those few people. He was my heart, my love, my forever. We were together for 15 years and those years we shared so much love and happiness. He was a man that was truthful, loyal and faithful. My knight in shining armor. He will always be in my heart, will forever be my love. I miss you baby. Till I see you again. Kisses forever

“ A memory; He was, and still will be, the live of my life. My truest love. My knight in shining armor. Every one saw him and he carried himself as a very serious man (and he was) but behind closed doors my love made me laugh so much. He was comical. He made sure I was happy. He gave so much love. Never did i ever not trust in him. He was worthy and trusting. Was the definition of a man's man. Treated me with the utmost respect. All who knew him could not help but love him.

I love you baby forever and always💕
