“ Phyllis & Family
Remembering Kelly when she came into the world. And now it's so hard to believe she's leaving us so soon. May she rest in peace and may you have the comfort in knowing she is no longer suffering.
And you will meet up again someday.

“ With sympathy and heart broken thinking of you and the family. My deepest condolence goes out to the Ali Family and most of all her son. My prayers are with you all. May God wrap his arms around you and give you the strength during this difficult time. I remember how much Kelly loved Patti LaBelle and even became part of Patti's fan club. Fly High to the Kingdom of Heaven where your Dad will meet you at the pearly gates. Rest in Peace Kelly.
Love always,

“ As a young girl I would look up to you eventhough we were close in age. Your ability to light up a room with your laugh was next to none. Your love for Patti Labelle was a love that would make someone go listen just in hopes to feel how you felt hearing her. It saddens me to write this memory, but I'm truly blessed to have memories of you. No more pain and glad you will be in the arms of your father. God bless your family from the depths of my heart
