“ *Laesha, I've known you to be truly, one of thy kind. Your spirit in whole, often embodied that of jollity, joy, and without a doubt, fun. True in it's entirety, still I know, life have not be the piece of cake. Similar struggles have we shared, I know exact in which I speak, you deserve every slice of heaven you get. May you R.I.P, encased in one's throne.*

“ Death brings pain that only time can heal, No words could ease what we truly feel; But with God, her joy is eternally sealed. And I cherish her memories that Death can't even steal. 🌹 Rhonda Ramseur

“ *You was truly a living legend in your own way!
The glue that held your family together! One
The strongest people I've ever come across.
The funniest craziest stories that can make
you fall out laughing or breakdown crying and
over the years we did both! We shared so much and I'm glad I was
apart of your world. Watch over your love ones we still need you!
Miss you Love you always*
