“ Dear Family,
I am saddened to learn of the passing of Mary. She was a proud, lovely lady and a hard worker for all that she believed in. She leaves a great legacy for her family and the community that she loved. You are in my thoughts and prayers.

“ I remember when I first came to Yonkers in the early eighties. I attended the Hudson River Community Association meetings at the Hudson River Museum. Mrs. Gaines' determination and passion in advocating for the establishment the Nepperhan Community Center is what I remember the most.

Now that I am on the Board of the Hudson River Community Association and that we are now having our monthly meetings at the Nepperhan Community Center is bringing it full circle and it is truly a blessing to have known her.

I wish her peace in heaven and condolences to her family

SS

We are confident, I say, rather to be absent from the body, and to be present with the Lord. (II Cor. 5:8)

Again, we hear that another one of our cousins has gone to be with the Lord. We were all children at grandmother's house and we were at church whenever the doors opened. We got sound Christian teaching and Mary displayed her Christian convictions. She possess a kind and generous spirit and always ready to help anyone who was in need. She will be sorely missed here but her life here has been well spent and she is, now, gone to receive her reward.

So to the children, grandchildren and great-grand children. Be comforted in knowing that she is at rest at our Lord's house.
