“ *Deepest sympathy and condolences to the Lockard family. I truly understand what you are going through. I have been friends with the Lockard's for over fifty years. As a young kid, I spent many hours at your house playing all kinds of games and sports. I went many places with the Lockard's back in the day. Stanley Ave was good times then, a true neighborhood. Mrs. Lockard will truly be missed. The memories last forever. If there is anything I can do to help during this time, please let me know.*

*Tommy Carver and the entire Carver family sends prayers.

“ My deepest condolences to the Lockard Family. Mrs. Lockard was very instrumental in my life. I will never forget how Mrs. Lockard would take Lila and I to Getty square to Woolworth's for hotdogs and we would always stop at Fannie Mae's. She would buy us the fruit slices with the sugar coating every time. She made us believe that we liked them but it was really her. She loved the hot dogs too! She was the sweetest nicest person ever! Family was everything to Mrs. Lockard! I'm so happy that I have many many fond memories of time that I spent with The Lockard's.

The Lockard's lived at 125 Stanley Avenue in the 60's. We lived at 127 Stanley. Not many people can say that they have friends all of their life! Me and Lila can. Our families will be entwined forever! No matter how much time or space! Please let me know if there's anything I can do for you guys! Love you all!
