“ *Rest in eternal heavenly peace, dear lady. Thank you for all the kindness and support that you gave when my little one and others were struggling little after-schoolers at the Nepperhan Community Center! You were there in important meaningful ways. We appreciate and remember you with much warmth, fondness, and appreciation! Condolences to your family and all loved ones who you now leave behind. May they be comforted in knowing that your abode is now with the Blessed Comforter. Ruth & Amaya Hunt*

“ As I sit thinking about how my family is slowly dwindling, I have mixed emotions. I am a girl from South Carolina. I have no sisters, and that is something that always pained me. Growing up in SC I had cousins who served that purpose. On my father's side of the family, Nettie was one of those cousins. The other, Catherine, who went home to be with the Lord several years ago. So, losing Nettie, especially after we finally got to a place where we could talk about most anything, is heartbreaking. Nettie, your leaving has touched me in a way I did not expect. I look forward to the day I will see you again. In the meantime, rest well in God's hands. I Love You Dearly Cousin! P.S. Tell Aunt Lolla I said hello.

“ My favorite memory of my my dear sweet cousin/ auntie Nettie would be listening to her tell stories of her growing up in the south when I tell you they were so animated and full of laughter almost like watching a movie I will never forget her infectious laugh and how she always made time for her family when I loss my mother in 2014 she made it her business to call me and tell me stories I never new about my mom she was one of the few that never stopped calling it was one or twice a month for over six years and when the calls stopped coming I reached out to her brother my cousin Eric to find out that she had fallen ill I'm not big on sharing but I had to share this my condolences to Eric,Kamia,Chrissy,and Dave I love y'all all very much

“ Trying not to be emotional while writing this. But my sister was a treasure to all who knew her. She lit up the room when she walked in. There was never a dull moment with her. She has taught me so much during my life. She always had a encouraging word for me and always supported anything I wanted to do. She was my sister and I will miss her greatly. Love You Sis. You're with the Ancestors now. You and Mom behave yourselves. ❤️❤️❤️❤️❤️

“ I met Ms. Funchess when my daughter attended camp at the Nepperhan CC. Always sweet and kind to our family. Now, I have the pleasure of working with her son, Dave. Truly a blessing to be in the presence of your family.  
Nettie is now out of pain and in the arms of Our Father.
