“ My Sweet Nicole, thank you for the 30 plus years of friendship. Through the laughs, tears, disagreements and time apart we remained friends. Our conversations was priceless and I will always hold them and all the memories in my heart. Oh how I loved our NYC shopping sprees no one could hang with us 12 straight hours enjoying every minute. Our late night hang outs listening to rap music, Girl I just knew you were going to be a DJ or a radio personality because of your love for rap music. I will miss you and Devin (or as you would call him EZ Bake) arguing. I was so looking forward to thenext Chapter in our lives but God had other plans and I know that God makes no mistakes. Though the tears will fall I find solace in knowing that you are resting in the arms of our Heavenly Father. I thank you for our friendship and I thank you for loving me. Sleep In Peace my Sweet Nicole and know that you will forever be in my heart and I will always Love You.
