“ I had the distinct pleasure of speaking with Mrs. Odessa when my Grandmother Louise Felder made her transition. It was Mrs. Odessa who shared her wisdom along with her sympathy that help me deal with my feelings of losing my Grandmother. Mrs. Odessa was a very delightful spirit to speak to and correspond with through emails. I enjoyed reading her very beautiful vocabulary of words she was truly academic. I pray for the family and may you all continue to practice what she preached. My deepest condolences to you all. Adams family.

“ ....Mrs. Odessa was such an inspiration! when I think of her I specially hear her warm voice---so full of energy---questioning, witty, and truly friendly. She and my Mother were very good friends, and when my mother made her transition in 2012, Mrs. Odessa came to visit us for one month, she never missed a week without calling, and extending encouraging words. She was an extraordinary women, a treasurer, a beacon of good sense, humor, affection & intelligence. I never saw her cross or off balance. Her example of effective, discipline, thoughtful actions are her greatest legacy to me. She will truly be missed. We are grateful in a host of ways for knowing her.

With deepest sympathy,  
Gloria & Gwen
