“ Pat and I went to school together, and I've always found her to be a friendly outgoing person, I talked with her when her husband passed away, she told me she was moving, and gave me her address, but I had no idea I would never talk with her again, to her son, and his family, my deepest sympathy and prayers that God will give them the strength they need during these trying times.

“ *Pat was a kind, sweet and delightful person. I met her first while escorting our little people to the Museum School (#25) many years ago. Immediately, I sensed her beautiful inner spirit and we simply connected. Condolences to and prayers for the beloved family whom she leaves behind. May she rest eternally in sweet heavenly peace in the arms of the Savior to whom she dedicated her life. Ruth Hunt & Family*
