“ *My favorite, favorite memory of my aunt Phyllis was when we celebrated my brother, Namib's birthday at the Melting Pot!*

*I was so happy when she told me to sit next to her because I knew we were going to crack each other up. We sure did laugh the entire celebration until we brought the tears right out of each other's eyes.*

*I'll miss how she would bust out laughing BEFORE I even told the joke.*

*I'll miss her hugs and kisses and the sound of her "I love you"s.*

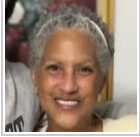

*I'll miss how much she adored my Honor and Atreus.*

*Lastly, I'll miss how she adored me and Dominique.*

*I'll miss you Aunt Phyllis. Our hearts are broken, but I know you are truly enjoying yourself with Jesus. ❤️ I cannot wait to laugh with you again!*

“ There are so many memories, the first one being "Who is this?" when Ivory Green (not yet Elder) brought her to church (smile). We were Scorpio sisters 4eva and talked about it. One day she came to apply to "temp" at IBM and walked past my office, and when she went by, I said, "Where are YOU goin?" lol We both laughed. Her nickname for me was "Milsey." I know this was not our time but God's. Sleep in peace Sis. I love you!!! Oh and Paco said, "behave" yourself.

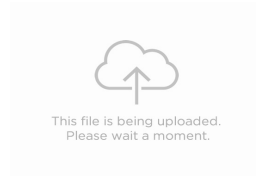

*Condolences and prayers for you Elder Ivory, Ivy, Phylisia/Namib, Ebony, Phyllis' mother, and her entire family!*

“ My favorite thing about my Friend was her laugh. I loved the way she was a person that didn’t tolerate foolishness and the fact that she loved God, and Family. My heart hurts but I know she’s looking down from Heaven saying “Tonya”. Rest well my friend/cousin. ♥♥♥
