“ On behalf of the Brown family, it is with  
sadness that I send condolences to the  
McDonald family. The legends of 73-83 are  
becoming our ancestors and guardian angels.  
Rest well, Mr. Boats!

“ Grief can weigh heavily on the heart, making it difficult to envision life without my dear uncle Boats. His laughter and wisdom create a mix of comfort and sadness as I face the emptiness he left. Looking back on our time through the years together, I recognize that love goes beyond limits and lasts even after someone's passing. My uncle is now at peace, free from pain and suffering. You will be deeply missed and forever in our hearts. Wanda, Poppa, & Chelsey
