“ Yvette’s laugh was so contagious. Spending nearly 6 years with Yvette at the bank truly made us family. She was the person I cried to the person I laughed with. I have memories that are unforgettable that even thinking about make me smile and laugh. She will truly be missed and my deepest sympathy goes to all of Yvette’s family. You raised the most amazing person with the sweetest heart.

I will always remember Yvette's beautiful smile. Working with her was a privilege. Although I left the bank I stopped at Oakland to see her occasionally. I know she loved her family more than anything and my heart goes out to you all as you face this difficult time. I will truly miss her.
